“Just For Kids” Facial - Cotton House

Designed for children between the ages of 7-14, this edible facial treatment incorporates honey, cucumber and lime. Leaving faces radiant and cleansed, the **“Just for Kids” facial** helps to reduce the appearance of acne or dry skin.

The **Cotton House Spa**, which opened in November 2002, is located steps from the beach in a two-story building with a wrap-around veranda. The spa offers panoramic views of the Caribbean Sea and the gardens, from all four treatment rooms.

The only hotel on the island, the **Cotton House** is a recently renovated elegant West Indian-style plantation estate with 17 luxurious guest rooms, cottages and suites, eight of which feature private plunge pools. Rising above Ansecoy Bay on a rolling green Mustique hillside with panoramic views of the Caribbean, the Cotton House prides itself on personal pampering. Whether traveling as a couple, with friends or with family, the island of **Mustique** is the ideal destination for the traveler who wants to experience a relaxed, yet exclusive island that holds the mystique of the Caribbean in all its glory.

Facials and Massages for Kids at The NEW Spa at Curtain Bluff

The new **Spa at Curtain Bluff** is now offering facial and massage treatments for children for the 2008 winter season, a perfect fit for this luxury, family-friendly resort. These treatments are safe and fun. Parents can relax on the balcony while observing the goings-on in the room and enjoying a cup of lemongrass tea (home-grown on the property). Depending on the age of the child, treatment times are adjusted to 30-45 minutes. Prior to the treatment, the therapist conducts a short consultation with the child and parent to determine expected results and tempers the treatments to meet these.

The Spa at Curtain Bluff opened in June 2007 and sits on the bluff overlooking the ocean and the neighboring island of Montserrat in the distance. The Spa at Curtain Bluff includes five treatment rooms: four single and one especially for couples. It also features open-air walkways, waterfalls, a relaxation room with a water view and a ten-person hot tub overlooking the ocean.

Curtain Bluff is located on 20 lushly landscaped acres on the south coast of Antigua and is surrounded by two beautiful sandy beaches. For Curtain Bluff reservations and information call 1-888-289-9898 or visit Curtain Bluff online at www.curtainbluff.com.
