

Queensland tourism identities Jeff & Carol Fleming operators of the Q1 Spa – Gold Coast & the Reef House Spa at the Sebel Palm Cove have for the fourth year in a row been recognised in the Spa Industries most prestigious International awards.

The penultimate of all international travel magazines Conde’Nast Traveller UK made the announcements at their annual Spa awards held at the grand Mandarin Oriental ball room in London just this week.

The glittering affair attracted over 300 of the world’s crème de la crème of spa owners, operators, product companies & media.

The multi award winning Reef House Spa was voted in the Top 3 Best Spas in the Australasian South Pacific Region category whilst Q1 Spa was voted in the Top 10 Best Spas, in the same category against thousands of entries. “To have two properties in the top 10 is very rewarding and especially as Q1 Spa has only been open one year” said Carol. “It is obvious that our clients love what we do as they are certainly singing our praises”. Hayman Island was voted No1 taking the top spot & Lizard Island at No 2. Interestingly Queensland Spas took out 1, 2 & 3. In total more than 18,000 entries were received.

Editor in Chief Sarah Miller made special mention of the Reef House Spa’s consecutive wins & recognised consistent performance in a highly competitive market. In accepting the award Jeff praised his Therapists at both spas for their dedication to professionalism together with all those associated with the Exclusive Spas Group.

“The awards are a further endorsement that Tropical North Queensland & especially Palm Cove remain internationally recognised as being the ‘spa capital of Australia’ said Jeff Fleming. “It now also recognises that the Gold Coast too has indeed come of age with Spas of Q1’s caliber being placed

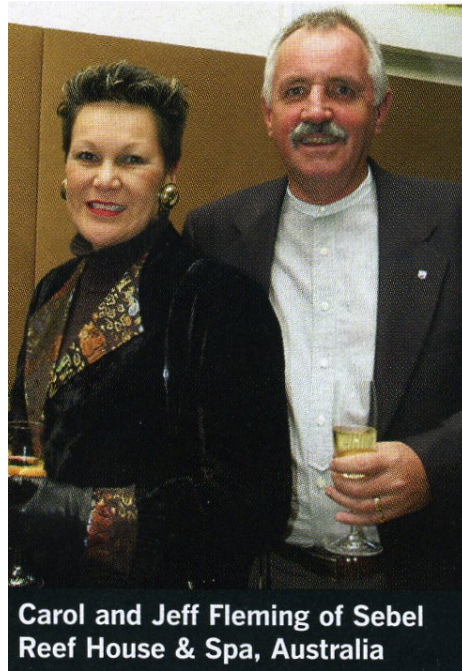

amongst the top spa facilities in the world & it further cements Exclusive Spas as leaders within the industry” he said.

The Reef House Spa was also voted in the **Top Best 30 Spas in the World.**
