**San Diego, CA** -- San Diego ISPA member, Spa Velia, was featured on a recent episode of Bravo TV's reality show, "Real Housewives of Orange County." Spa Velia therapists Ashley, Buck, Julianna and Tara gave side by side massages and side by side facials to four of the series' regulars on camera.

In Episode 307 (for anyone who's counting), Jeana, Vicki, Tamra and Tammy head down to The US GRANT Hotel in San Diego for some housewife hijinks. Pictured, the ladies are in the lap of luxury, enjoying spa treatments by Spa Velia in the Presidential Suite at the glamorous U.S. Grant Hotel. They also took in the San Diego nightlife, partying at downtown Stingaree. See attached photos.

**Spa Velia** is nestled between the Columbia/Little Italy Districts of downtown San Diego, directly across from The W Hotel. The Spa is owned by a team of three entrepreneurs, two women and one man, who shared a vision to create an intimate, old world luxury spa, unlike any other spa destination available in America's Finest City. The Spa caters equally to both men and women clientele, offers an expertly educated staff and features several one-of-a-kind amenities including the contemplative relaxation lounge, Swiss seven-head showers and the immensely popular Couples Suite. Since their Grand Opening in October of 2005, Spa Velia's business has continued to grow steadily, as city dwellers, business types and downtown hotel guests alike discover this unique, old world escape from the stress of daily life. Spa Velia is located at 401 West A Street, Suite 180 in San Diego (619.235.0000). Visit [www.spavelia.com](http://www.spavelia.com).
