Appointments and reservations

Please book appointments as far in advance as possible. For spa reservations please call +41 44 456 64 00 or, in-house, select the appropriate key. All prices are subject to change without prior notification. Be sure to inform us of any health issues or medical conditions you may have, as some treatments may not be suitable for you.

Meeting your needs

At Reception we can help you plan your own personal spa experience. Please be sure to arrive at least half an hour before your appointment. This will give you time to familiarise yourself with the Dolder Grand Spa, take a shower before your body treatment and enjoy a fresh cup of tea in peace and quiet. You can tell your therapist exactly what sort of pressure you like for your massage, if you need an extra towel, or your sound, light and temperature preferences.

Cancellations

Please inform us at least four hours in advance on +41 44 456 64 00 or at spa@thedoldergrand.com if you need to cancel or postpone your treatment. Failure to do so will result in your being charged the full amount.

Late arrivals

If you arrive late for your appointment, we are unfortunately unable to extend your treatment beyond the agreed time. A late arrival, therefore, means that your treatment time will be shortened accordingly.

Preparing for your treatments

Please note that women should not shave before salt scrubs. Exfoliation treatments should be avoided if you have sunburn. For men, we recommend shaving prior to facials for maximum comfort and benefit to the skin.

Spa etiquette

Out of consideration for other guests, we ask that you turn off all mobile phones and pagers while at the spa. Please do not use videos or cameras during your visit. The Dolder Grand Spa is a smoke-free zone. We also request that you keep the level of conversation down, so as not to disturb other spa users.

Clothing

We provide you with a bathrobe, slippers and a locker for your personal possessions. If you wish to use our fitness machines, proper training shoes are required. For shiatsu massages, you will be provided with a comfortable shiatsu robe. Out of respect for our other guests, you are requested to wear a bathing costume in the Aqua Zone.

Valuables

Lockers are provided in the changing rooms. We recommend that you leave your valuables at home or in your hotel room safe.

Privacy

Most body treatments are enjoyed without clothing. Your therapist will leave you to change in private, and throughout the treatment you will be draped with towels, covering all parts of the body not being treated. Ladies can choose whether they wish to include the bust area in whole-body treatments.

Gift vouchers

We will gladly customise individual gift vouchers to include the spa experiences of your choice.

Spa Shop

Our Spa Shop stocks exclusive wellness, fashion and beauty and fitness products as well as lifestyle accessories and gifts.

Your well-being is important to us – as is your opinion

Although we do our utmost to anticipate and meet your needs, we realise that the Dolder Grand Spa is an individual experience. Your feedback is appreciated.
