

Facial Programs

Facial Hydration: *This exclusive facial hydration combines facial masks and different products according to guests' skin type.*

\$290

Teenager Facial: *The delicate skin of a teenager requires special care. This program provides cleansing, hydration and nurturing with natural agents. Designed for different skin types.*

\$390

Facial Regeneration and Hydration: *This cleansing program begins with an exfoliation, followed by a facial oxygenation with herbal creams and subsequent tonification. Masks are applied according to skin type.*

\$460

Facial Excellence: *This program consists of an exfoliation followed by a steam bath. Skin is then tonified and hydrated with sea serum, oxygenated with herbal creams, and finally moisturized with several products and masks according to skin type. The treatment is completed with nurturing by thermophoresis resulting in a vital and younger looking skin.*
